Packages or services may not be available in all areas; Internet speeds vary depending on equipment. Internet speeds stated are over a wired connection; wireless speeds vary.

Core TV packages incur a Broadcast Surcharge Fee as a direct result of rate increases from the Broadcast networks.

Phone

*\$35.00

Local Phone Service

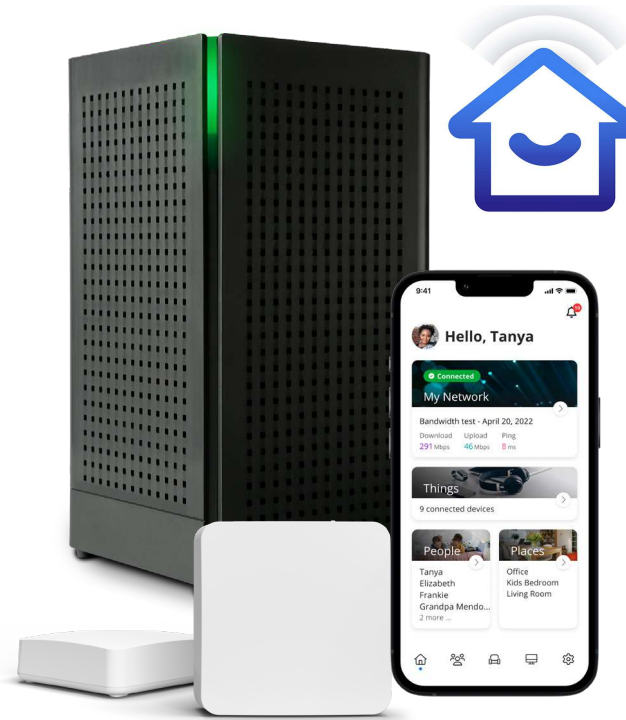

- Popular Add-ons:
- Caller ID
 - Voice Mail
 - Smart Screening

Phone service is approximately \$35 after adding the Local line charge of \$22.50 plus the mandatory fees imposed by federal or state government such as universal service fees and taxes. Installation fees may apply; more services are available; see www.wcta.net for additional information or call 218-837-5151.

Manage MyWi-Fi

Wireless networks can be complicated and with so many devices able to connect wirelessly to your home network things can get difficult fast. We make it easy with our Manage MyWi-Fi service!

Manage MyWi-Fi is included in all our plans and includes a wireless router, setup and ongoing phone support for your home Wi-Fi network, and the Command IQ app. Call for more details.

Download the Command IQ app on the App Store and Google Play. More information is found on our website under the Support tab. Call for more details.

Optional Add-Ons

ProtectIQ \$5.00

Network level protection from cyberattacks, malware, including viruses and ransomware.

ExperienceIQ \$5.00

Parental controls with app filtering, time limits and app usage reporting. Create rules for users and devices and block inappropriate content.

**Unlimited data on all plans. Speeds stated are based on wired connection; dependent on router capacity; and can vary by device connected and bandwidth usage. Internet plans require paperless billing with e-bill and in some cases, AutoPay.*

To purchase or upgrade your package, call 218-837-5151 or visit www.wcta.net.
